**Across Generations at Eye Level:
Ways to Integrate Seniors by Education**

Learning with, from and about each other – and filling the ever-growing gap between Generation Z and seniors with the means of intergenerational learning (IGL) is the major vision of the project AGE:WISE.

RESULTS

- RESEARCH REPORT**
on good practice examples in Intergenerational learning and the specific learning needs of seniors.
- SELF-REFLECTION TOOL**
that helps seniors to raise awareness about their competences.
- SUCCESS STORY VIDEOS**
showing seniors as teachers to motivate other seniors to slip into this role.
- TRAINER PACKAGE**
including a curriculum for the training of seniors and a guideline for the implementation of intergenerational learning settings in adult educational institutions.
- LEARNING PACKAGE**
providing training material for seniors to become teachers.
